U. S. Offers World A Bomb

States Want No Monopoly On Weapon

Paris, Sept. 30.—(AP)—The United States today renewed its offer to give the rest of the world the secret of the atomic bomb and blamed Russia for blocking international control of the deadly weapon.

U. S. Delegate Warren R. Austin told the United Nations assembly's political committee that his government wants no monopoly on atomic force. Then as October president of the security council he set 3 p. m., Monday as the hour for the start of debate on the fateful issue of Berlin where the western powers charge the Soviet Union with threatening the peace of the world.

Russ Blocks Move
Austin said Russia had blocked global control of the atomic bomb by refusing to sacrifice any of her sovereignty to permit international inspection and control of sources of atomic energy. He noted the Soviet Union vetoed a majority-accepted control plan in the council.

"Fear has supplanted hope," he said, "because the Soviet Union has insisted on placing its sovereignty athwart security for all." Austin said the United States is willing to submit to international control and inspection because the Americans "want peace for the world, for themselves and for their children."

There also were these developments in U. N. circles:
1. Mrs. Franklin D. Roosevelt told the assembly's 58-nation social committee that the United States would accept a proposed world bill of human rights without amendment if all other nations follow suit. There seemed little chance of acceptance of her offer due to opposition from the Soviet bloc and other quarters.

French Reds Join England
2. France's communists joined those of Britain in backing Russia's U. N. proposals for a one-third reduction in the armaments of the world's five big powers. The item comes up for debate in the political committee after a decision is taken on atomic energy. That discussion continues tomorrow with Russia expected to answer Austin.

3. Reliable sources said 12 countries were about to form a Middle Eastern bloc in the U. N. A meeting of the dozen, all of them generally anti-Russian, was set for Saturday. The list included Afghanistan, Egypt, Ethiopia, Greece, Iraq, Lebanon, Pakistan, Saudi Arabia, Syria, Turkey and Yemen.

TAYLORVILLE GIRL DROWNS

Ormond, Fla., Sept. 30.—(AP)—Betty Harrison, 18, of Taylorville, Ill., a student at Casements Junior college, was drowned in the ocean today. Lifeguards said she was swimming alone and was carried out by a strong current.

The fledglings of the hoatzin (South American bird) have well-developed claws on each wing and can climb trees like a quadruped.

Gov. Dewey Proposes 9-Point Foreign Pact

Salt Lake City, Sept. 30.—(AP)—Gov. Thomas E. Dewey tonight proposed a nine-point American foreign policy aimed at lasting peace but making it "perfectly plain" to Russia "we do not intend to be bullied or bluffed."

"However much we may desire peace, we cannot buy peace with appeasement," the Republican presidential nominee said in a major campaign address prepared for delivery at 8:30 p. m., CST, in the famed Mormon Tabernacle.

The New York governor called for "unstinting support" of the United Nations.
"Through it," he said, "we will seek to make a united front of the world's peace loving nations against aggression, wherever and whenever it raises its head."

He renewed his proposal for a United States of Europe to establish a peaceful power "so strong that no despotic ruler of a totalitarian state will think the cause of freedom so weak that he dares to wage war."

Dewey's address, generally regarded as the most important of his campaign to date, was prepared after eleven-hour consultation with his adviser on foreign affairs, John Foster Dulles. Dulles is in a

REPORT INVASION OF COMMUNISTS IN BERLIN

Frankfurt, Germany, Sept. 30.—(AP)—A small "invasion" of communist agents into the American zone of Germany was reported today by Dr. Hans Ehard, German state president of Bavaria. It was confirmed unofficially by Anglo-American quarters.

Ehard said "communist functionaries from the East" were slipping into the American zone along with Czechoslovak refugees and Germans expelled from the Sudetenland.

Girl, 16, Wins Acquittal On Murder Charge

Wheaton, Ill., Sept. 30.—(AP)—Frances Korbelik, 16-year-old high school pupil, today won a directed verdict of acquittal of a charge of murdering her father.

Spectators in the courtroom demonstrated when the acquittal was announced—rising from their seats and applauding.

Circuit Judge Win G. Joseph took his action of motion of Joseph Lustfield, defense counsel. Lustfield made the motion after the court refused to permit the state to place in evidence a statement taken from the girl shortly after Korbelik's body was found May 2.

Prosecutors said Frances related in the statement the killing of her father, William, 42, president of a local union of the CIO United Steelworkers.

The court's ruling on the statement stymied prosecutors in their attempts to bring out what they contended was the motive behind the slaying.

Warren Charges
Demos Prisoners
Of Own Mistakes
New York City, Sept. 30.—(AP)—Gov. Earl Warren tonight charged the democratic party was threatened with disintegration over differences based on "the freedom of individuals to exercise their American rights."

In the strongest language he has yet reserved for the administration, the GOP vice-presidential candidate called it "a splinter party" which threatens to destroy the two-party system under which this country became great.

The result, "unless we are careful," Warren said, is emergence of a "totalitarian single party, either fascist or communist."

"What this country does not need and cannot afford, is an administration that is the prisoner of its own mistakes," he added.

In a speech prepared for a republican rally, Warren referred for the first time to progressive party candidate Henry Wallace, and accused him of "discrediting our position with the nations of the world, and making his bed with those who would destroy our American institutions and the things for which they stand."

Declaring the goal of American foreign policy "is to establish in the world a just and lasting peace," Dewey outlined this program:

1. "We will give unstinting support to the United Nations," which, although "still imperfect, can be perfected."

2. "We will extend the hand of friendship and help to freedom loving people everywhere." Dewey cited the European recovery program as a notable case in point and invited wholehearted support of it.

3. Use of that program "as the means for pushing, prodding and encouraging the nations of Western Europe toward the goal of European union." That, the GOP candidate added, "would be the firmest guarantee of peace in all history."

Under point three, Dewey also called for bringing "a demilitarized zone" under international control and that steps should be taken to "see girls, and \$224.126 for enlarging the power plant at Northern Illinois State Teachers college, DeKalb,

Clay Sees Hope Of Averting War With Russia

Washington, Sept. 30.—(AP)—Senator Lucas (D-Ill.) said today on his return from Europe that Gen. Lucius D. Clay "is rather optimistic that there will be no shooting war with Russia."

Lucas spent two days in blockaded Berlin. He said he talked with Clay, the American military commander in Germany, for about three hours.

"Gen. Clay believes that if we pursue vigorously and firmly our present policy, there will be no shooting war," Lucas told a reporter.

"But if we start appeasing and retreating," the senator added, "anything is likely to happen."

Lucas said that in his opinion the Russians are not ready for war. "While it is true they have a standing army that could overrun most of Europe in a short while," he said, "sustaining such an army in the field for any length of time would be a tremendous strain on the Russian economy."

He expressed confidence that "time is on our side" in the cold war with Russia and said "the Marshall plan and the Truman doctrine have stopped the expansion of communism cold."

'Satira' Schmidt Pardoned Of 15 Year Murder Term

Havana, Cuba, Sept. 30.—(AP)—President Grau San Martin signed tonight a decree pardoning Patricia (Satira) Schmidt, dancer convicted of the murder of John Lester Mee of Chicago.

The Toledo, Ohio girl had been serving a 15-year sentence. She shot her lover, an attorney and Pacific war veteran, while they yachted in Havana harbor in April, 1947.

Patricia admitted she fired the fatal shot aboard Mee's yacht—also named Satira—in Havana harbor. After months of delays, she was brought to trial in the Havana criminal court. She pleaded self-defense.

She said Mee beat her and threatened to kill her during an argument which started when she discovered she had been intimate with Mee and said she expected to marry him.

She said their love began to cool, however, because he worshipped an imaginary goddess of love. She described Mee as "a very bad boy" and said he wrote erotic poetry.

Mee, a musician, dancer, poet and war-time PT boat commander, had published a book of poems entitled "Trana Dabala," which he translated as "Devil Enchantress."

Wallace Withdraws Some Candidates In Favor Of Demos

Washington, Sept. 30.—(AP)—Henry Wallace's progressive party is withdrawing its candidates for 13 house seats in five states, Campaign Manager C. B. Baldwin said today.

He said the action was taken because, among other reasons, the democratic nominees "have now turned to a much more constructive liberal path."

The Wallace party still plans to run 100 candidates for the house and 11 for the senate. Wallace, candidate for president, is definitely on the ballot in 29 states and expects to be on at least 40, Baldwin said.

Withdrawal of progressive party candidates announced today include opponents for Reps. Helen Gahagan Douglas and Chester Bowles, former OPA chief running for governor of Connecticut; four house candidates in Pennsylvania, four in New Jersey, two in Connecticut and one in Massachusetts.

Baldwin said the party is supporting outstanding democrats with "liberal" records in the 80th congress.

A total of \$726,432 will go for an elaborate construction of a power plant at Geneva state training school for girls, and \$224.126 for enlarging the power plant at Northern Illinois State Teachers college, DeKalb,

Ron Hoffman, Paul Kennan Found Dead

Ron Hoffman, son of Mr. and Mrs. Russell Hoffman of Danville and a mechanic at the Jacksonville airport, and Paul Kennan, son of Mr. and Mrs. C. E. Kennan of Alexander, were killed instantly Thursday night when the 140 Cessna aircraft in which they were riding crashed in a cornfield on the farm of Miss Frances Paul, south of the dam at Lake Jacksonville.

The plane took off from the Jacksonville airport at approximately 10 p. m. and evidently crashed between 11 p. m. and midnight.

A searching party was dispatched at about 11 o'clock when the plane failed to return to the airport. Searchers, led by members of the Morgan county sheriff's force and Jacksonville police department, came upon the scene shortly after 1 a. m. Friday.

Both flyers were dead when they were found. The plane had plunged into the field without leaving a path through the tall corn. Both occupants were thrown clear from the cabin by the impact, which was heard by several people in the vicinity.

There was no evidence of what had happened to cause the fatal accident. The face of Hoffman, who had apparently been at the controls, was severely mangled, evidently by being thrown into the instrument panel. He was still in his seat on the left side of the wreckage.

Kennan's safety belt was broken by the crash. He was thrown past Hoffman, face-down amid the debris. The shoe from his left boot was lying some distance from his leg and his foot had apparently been torn off.

Both flyers probably suffered severe internal injuries as well.

Monty Heads New Alliance Will Lead West Europe Military Bloc

London, Sept. 30.—(AP)—Field Marshal Lord Montgomery will retire as chief of the British Imperial Staff in order to head the military command of the western European alliance, government sources said today.

An authoritative informant said the cabinet approved the alliance's choice of Montgomery as chief planner for the defense of Britain, France, Belgium, The Netherlands and Luxembourg.

Lt. Gen. Gerard Temple, 50, was believed the likely successor as chief of the imperial staff, a post Montgomery has held since 1946.

The official announcement of Montgomery's selection is expected to be made tomorrow by the alliance secretariat in Paris.

The cabinet heard from Defense Minister A. V. Alexander a detailed report on decisions reached in Paris earlier this week when the five defense ministers of the alliance met secretly for two days and decided to set up an international military command.

Their decisions were reported to have crystallized more than five months of joint military planning since the alliance was born at Brussels in mid-March.

By invitation, military experts from the United States and Canada have been sitting in on these meetings the past two months to study equipment needs to rebuild western Europe's defenses.

Chicago Police Stay Probe In Gangland Slaying

Chicago, Sept. 30.—(AP)—Police tossed their file on the killing of James Barsella, 31-year-old hoodlum, into the unsolved drawer today to join the records of many like characters similarly slain.

A coroner's jury decided Barsella, shot and beaten to death Sept. 2, was the victim of murder by person or persons unknown. Barsella's body blood oozing from a single bullet wound was found in his parked automobile on a desolate street.

Police Capt. Walter Healy told the inquest he had no success in efforts to determine whether or not Barsella figured in McHenry county gambling. Healy said at a previous session of the inquest he had such a clue.

Assert Soviet Spy System Has Gained Atom Information

Washington, Sept. 30.—(AP)—Rep. McDowell (R-Pa.) estimated today that a Soviet spy ring has gotten hold of "100 or more" American secrets, including atomic information.

But he also said he "felt sure" the Russians have not obtained complete information on how to make an atomic bomb.

McDowell is a member of the House committee on un-American activities, which has been investigating alleged communist espionage and has recommended the prosecution of at least four persons.

Claiming "there is direct evidence" that secrets have been turned over to the Russians," McDowell declared that Attorney General Clark should be impeached if he doesn't prosecute those against whom the committee has assembled evidence.

The Pennsylvania said the Russians have acquired American secrets involving atomic information, jet propulsion, radar, gun material, chemicals, state department policy documents, defense and detection devices, new explosives, and air-field locations.

Illinois Labor Requests Removal Of NRLB Counsel

Chicago, Sept. 30.—(AP)—The Illinois Federation of Labor today asked that President Truman oust Robert Denham as general counsel of the National Labor Relations Board.

The federation's 66th annual convention took the action despite a prolonged floor fight in which opponents claimed it was a "slap in the face" to Mr. Truman and would hurt his chances in the coming election.

Others asserted it was directed against Denham and not at Mr. Truman. Denham overrode the convention resolutions committee, which opposed the measure on the ground it would be embarrassing to President Truman, who appointed Denham.

The resolution charged Denham "has taken the attitude of a director in several cases and his general attitude is causing confusion and uncertainty among labor."

Secretary-treasurer Victor A. Olander announced "regrettably" he would telegraph the convention request to the president.

The anti-Denham resolution popped back later when a motion to reconsider the action was proposed. It, too, was turned down.

During the debate, William McFarlane, president of the building service union, was booed when he said he believed President Truman would be beaten in November.

Today's arguments hinted at a bigger floor fight tomorrow when a resolution calling for endorsement of Mr. Truman will be presented. The AFL national executive board, following its traditional policy of non-partisanship in national politics, has refused to take action on the presidential race.

Widow Of 'Teddy' Roosevelt Dies At Family Home

Oyster Bay, N. Y., Sept. 30.—(AP)—Mrs. Theodore Roosevelt, 87, widow of the 26th president, died today.

Only three widows of presidents now survive—Mrs. Woodrow Wilson, Mrs. Calvin Coolidge and Mrs. Franklin D. Roosevelt.

Mrs. Roosevelt had been in poor health since fracturing a hip about 10 years ago. She died shortly before 6 a. m. (CST) in the family home, Sagamore Hills.

At her bedside were her surviving son, Archibald, and her daughter, Mrs. Richard Derby. Her step-daughter, Mrs. Alice Longworth, and 14 grandchildren also survive.

Mrs. Roosevelt will be buried at her husband's side in Young's Memorial cemetery a few miles from Sagamore Hill. Private funeral services will be held in Christ Episcopal church in which she was deeply interested.

The family declined to reveal the time of the service. Theodore Roosevelt married Edith Kermit Carow, a native of Norwich, Conn., in St. George's church, London, in 1886 after the death of his first wife.

Mrs. Roosevelt lived to receive the news of the death of three of her four sons in war—Quentin in aerial combat in World War I and Theodore Jr. and Kermit in World War II.

CHURCH DELEGATES VOTE AGAINST MERGER

Galesburg, Ill., Sept. 30.—(AP)—Delegates from Congregational Christian churches throughout Illinois today voted against a proposed merger with the Evangelical and Reformed church.

The merger was proposed by the General Council of the Christian Church at Oberlin, O., last June. Representatives of the church from Connecticut, Iowa and Kansas attended today's meeting.

Yugo Parliament Adopts Resolution Denouncing Reds

Belgrade, Yugoslavia, Sept. 30.—(AP)—The Yugoslav parliament adopted a resolution tonight denouncing the Soviet Union and the cominform for starting "a campaign of slander against Yugoslavia."

The resolution was read to parliament by Peter Stambolish, newly appointed president of Serbia. It was written in the same defiant tone that Premier-Marshall Tito and his communist party central committee used when the cominform first accused them of veering away from the Marxist-Leninist line.

Cheering frequently interrupted the reading. Whenever feats of the wartime Yugoslav partisan fighters or aims of the Tito regime were mentioned, the deputies rose to their feet and applauded. Tito attended the session and rose several times to acknowledge the acclaim of the members.

The resolution was similar to the press comment and speeches made here since the split between Tito and his communist neighbors. It mentioned Russia several times as the instigator of the cominform attack, which the Yugoslavs say resulted in a campaign of slander against them.

Refuse Russian Proposal To Take Troops Out Korea

Washington, Sept. 30.—(AP)—The United States today turned aside Soviet Russia's proposal to withdraw all occupation troops from Korea.

It said in a brief formal note to Moscow the matter is "part of the larger question of Korean unity and independence."

At an "appropriate time," the state department said, American views on the entire issue will be presented by the United Nations general assembly.

The Soviet withdrawal proposal was announced Sept. 19 when negotiations for settlement of the Berlin crisis were nearing a break-down. Moscow said the president—executive council—of Russia's supreme Soviet had decided to pull out all army forces from the Soviet zone of north Korea by the end of December.

A note handed the American embassy Sept. 18 expressed hope that the U. S. would withdraw its forces from the American zone in south Korea at the same time.

FCC Delays Action On Video Stations

Washington, Sept. 30.—(AP)—The government froze all applications today for new television stations, but emphasized: if you own a set, don't worry.

Chairman Wayne Coy of the federal communications commission announced the order calling a temporary halt on approval of new stations. The order was issued, he explained, to permit technical readjustments in the comparatively infant industry.

Coy told newsmen:
1. It will not affect the usefulness of any television set now on the market or in use.
2. Prospective set-buyers can go ahead with a purchase with confidence.

Coy said the order, effective immediately, will be effective for "possibly six months."

The FCC's action will, however, permit the operation of nearly 90 new stations. A total of 123 stations have already been authorized, with 37 actually on the air. The others have construction permits only and are in various stages of development.

Yellin, Two Others Taken At Haifa

Tel Aviv, Israel, Sept. 30.—(AP)—The capture of Nathan Friedman-Yellin, chief of the Stern gang which has been blamed by the Israeli government for the assassination of Count Folke Bernadotte, was disclosed today by reliable sources.

The informants said Friedman-Yellin, a former Polish surveyor, and a lieutenant, Matityahu Shmulewitz, were caught by Israeli police in a house crammed with guns and ammunition at Haifa Wednesday night. Friedman-Yellin's wife was questioned for two hours and then released.

Had \$7,000 On Persons
The two Sternists had \$7,000 on them along with incriminating documents and forged papers purporting to give them leave from the army. They offered no resistance.

Informed sources said the documents "throw new light" on the Bernadotte case, and the forged papers were designed to permit Friedman-Yellin to elude the government's order for all members of the outlawed Stern band to join the army or be hunted down as deserters.

(Informed in Geneva of Friedman-Yellin's reported arrest, the Israeli foreign minister, Moshe Shertok commented, "It cut off the head of the snake." Shertok was en route to the U. N. meeting in Paris.

Friedman-Yellin had been a fugitive since the night of Sept. 17 when Count Bernadotte, the U. N. mediator, and his French assistant, Col. Andre Serot, were shot down in Jerusalem.

The "Fatherland Front," said to be a splinter group of Sternists, has announced its responsibility for the killings in leaflets distributed to foreign consulates.

The government of Israel immediately outlawed the Stern band and announced that nearly 300 were arrested and their arms seized.

Persons formerly associated with the Sternists said they believed Friedman-Yellin had intended to leave the country, but was blocked when the government closed all ports and airports to departures of persons without special permits.

Friedman-Yellin, a one-time honor student, inherited the leadership of the Stern gang from Abraham Stern who was killed in 1941. At first a splinter movement from Irigun Zvai Leumi, the small but tightly disciplined Stern band conducted a long campaign of terrorism against the British.

IOWA STATE LASSIES PLAY BAGPIPES AT CHICAGO RAILROAD FAIR

Chicago, Sept. 30.—(AP)—It was Iowa day at the Railroad Fair today and Gov. Robert Blue of the live council—of Russia's supreme Soviet had decided to pull out all army forces from the Soviet zone of north Korea by the end of December.

The Scottish Highlanders, 65 plaid-clad lassies from the University of Iowa, played their bagpipes on the fair grounds to help celebrate the day.

Gov. Blue was the personal guest of Maj. Lenox R. Lohr, president of the fair.

WEATHER

The order freezes 302 pending applications. Industry sources in New York indicated that today's order would not retard the growth of the booming light-cast industry greatly because: 1. The construction of new stations already authorized can continue.

2. Some 1,500,000 television sets are expected to be made next year but these will be short of the demand in cities where stations already have been authorized.

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Thursday as follows: high, 68; low, 56; and at 7 p. m., 63.

Questions And Answers ON THE OCT. 9 SCHOOL ELECTION

The County School Survey committee has submitted a series of questions and answers to the Journal Courier in the hope that they may stir up interest and clarify issues in the forthcoming school election on Saturday, Oct. 9. The committee invites further questions from interested citizens which some member will attempt to answer. Questions should be addressed to the Survey Committee in care of the Journal Courier.

1. If this proposal for a unit district in Morgan county were accepted by the people of the area would transportation be furnished by the district?

It must be furnished for all pupils who live a distance from any school maintained in the district.

2. Would transportation be furnished within the Jacksonville city limits?

Probably not. No child lives sufficiently far from a school.

3. Will the formation of such a unit district facilitate transportation?

Transportation can be made more economical and more efficient in a district of the size of the one proposed than in smaller districts.

4. How will the school children benefit from such a large unit school district as the one proposed by the Survey Committee and which will be submitted to the voters on Saturday October 9?

Those who are not now receiving it should acquire a well rounded education from an adequately trained teacher in a safe, sanitary school building. Those pupils now attending small one room schools will have the advantages of a larger graded school with an enriched curriculum, teaching aids and a hot lunch program. Those who need it will be furnished transportation. Children with special needs physically or mentally should receive special attention from a teacher trained to meet those needs.

Dieticians Meet At Country Club Wednesday Night

The Central Illinois Dietetics association met Wednesday night at the Jacksonville Country Club under the direction of Mrs. Ethel Boyd, supervisor of the division of home economics and nutrition in the department of Public Health.

Sixteen dieticians from the Springfield and Jacksonville areas were present.

The program consisted of a discussion of public relations and professional education activities for the coming year, and was led by Wilma Robinson, dietetic consultant of the department of Public Health.

Misses Ursula Ryan and Dorothy Lukeman were hostesses for the evening.

Mrs. I. Carriger Honored At Shower At Martin Home

A shower honoring Mrs. Inza Carriger of Winchester was given by Miss Betty Evers on Tuesday evening at the home of Mrs. T. B. Martin. Mrs. Carriger received many lovely and useful gifts.

Bunco was played during the evening and prizes were awarded to Miss Louise Chance, Mrs. Dorothy Cox, Mrs. Rose Marie Boston. Refreshments were served later in the evening.

Those present were Mrs. Rose Marie Boston, Mrs. Dorothy Cox, Misses Clara Mikus, Viola Daniels, Helen Franklin, Audrey Yelm, Louise Chance, Joanne Rumble, Connie O'Reilly, Barbara Weder, Betty Evers, hostess and the guest of honor, Mrs. Inza Carriger.

FIRE PREVENTION WEEK PROCLAIMED

WHEREAS fires claim lives of our citizens each year; and

WHEREAS many deaths from fires are those of children and the fires causing these deaths could be prevented by eliminating fire hazards; and

WHEREAS destruction of either industry, business or homes is a vital loss to our city; and

WHEREAS most of the states and many of the municipalities of the nation have, during the past year, organized and established facilities for more effective fire protection and fire prevention;

THEREFORE, I, Ernest L. Hoagland, Mayor of Jacksonville, do hereby designate the week beginning October 3, 1948, as Fire Prevention Week.

I direct all the municipal agencies of the city governments, and particularly the fire departments and schools, to assist in arousing the public to the seriousness of the fire problem. I earnestly request every citizen to do his part in eliminating all possible cause of fire in his home or in his business. I urge that the school children of this community be given appropriate instructions to inspect their own residence, and that the fire department assist them in this effort.

Mrs. Mary Albert, Cornland, Ill., says Rentox is a wonderful medicine.

"Rentox has done wonders for me," says Mrs. Albert. "Almost all of my life I have suffered from constipation which brought on my kidney condition. I have found nothing to relieve my constipation or kidney condition. My kidney trouble caused me to get up so often at night that I lost sleep and felt tired out all of the next day. I have tried every preparation on the market with no results. Food soured on my stomach causing acid indigestion and heartburn. I like to eat but before taking Rentox there was very little that I could eat that would agree with me. The pains in my shoulders and arms became so bad that I could not bend my fingers. My husband suggested that I try Rentox and it has done wonders for me. I am now regular without having to take harsh laxatives, the pain is gone from my shoulders and arms, I no longer have to get up nights and now that I am getting a good night's sleep I have more pep during the day. Last Sunday at church some women asked me what in the world I was doing to myself to look so much better. Both my husband and I are overjoyed that I am now in good health. We recommend Rentox highly."

—is amazing many, many people with its quick effective action. Rentox goes to work quickly to tone the bowels into a more rhythmic action. By eliminating toxic poisons from the system, helps kidneys and bladder too—stops getting up nights. Rentox will not gripe, nauseate or make you sick in the slightest degree and it can be taken safely by every member of the family.

Rentox contains no narcotics, opiates or calomel. Why not go to your druggist today and ask for a bottle of Rentox. Be sure to get the genuine Rentox. Don't be "switched" to another product.

RENTOX is a registered trademark of THE WONDERTAB CORPORATION, CHICAGO, ILL.

Humane Society Defines Duties

The Morgan County Humane Association has defined its obligations and duties to the community in an answer to many questions that come up daily in reference to animal welfare.

The organization will pick up animals killed or hurt on the streets of Jacksonville but will not call for animals who died in their homes. That is the owner's responsibility and owners must bury the same.

Any barking or otherwise noisy dog disturbing the peace of a neighborhood does not come under the jurisdiction of the association.

All complaints on vicious dogs should be made to the police and if such dog is to be disposed of, the Humane Association will do so in a way deemed the most humane. No reports on disturbances, property or other damages will be considered unless the case is transferred to the Humane Ass'n by a law enforcement officer. The ass'n is interested only in cases which constitute cruelty, according to Major Searls, secretary of the association.

LOUIS CONNER ILL IN IOWA HOSPITAL

Louis Conner, a former resident of Jacksonville, is seriously ill at St. Mary's hospital in Clinton, Iowa, according to word received by relatives here Thursday.

Mr. Conner who now resides at Camanche, Iowa, was for many years superintendent of the local gas company. Later he held a similar position with the gas company in Rock Island.

OBITUARY

Mrs. Augusta Stringer
Winchester—Mrs. Augusta Thady Stringer passed away at her home in Winchester on Friday, September 24, 1948, at the age of 78 years, 11 months and 7 days. She had been in failing health for the past year. Her entire life had been spent in Morgan and Scott counties.

Mrs. Stringer was born October 17, 1869 in Morgan county, the daughter of a pioneer family, John and Louisa Thady. She was one of eight children.

On June 2, 1892 she was married to William Thomas Stringer and for many years they resided on the Stringer homestead moving to Winchester in 1935. To this marriage three children were born.

Mrs. Stringer is survived by a son, Fred of Manchester community; a daughter, Mary, at home; a sister Mrs. Sophia Roley of Jacksonville and a number of nieces and nephews.

She was preceded in death by her husband, her son Harry and four brothers, John, William, Fred and Charles Thady and two sisters, Mrs. Emma Lawless and Mrs. Lizzie Richey.

Mrs. Stringer was a member of the Methodist church. She was a devoted wife, a loving mother and a kind neighbor and friend.

Largely attended funeral services were held at 2:30 p.m., Sunday afternoon, September 26, 1948 at the Methodist church in Winchester with the Rev. Ralph Jasper officiating. Interment was in the Winchester cemetery.

ASHLAND

Ashland—The marriage of Russell Trotter, son of Mr. and Mrs. William Trotter of this city, and Miss Florence Oleson of Virginia, has been announced.

The single ring ceremony was performed by the Justice of the Peace in Virginia on Wednesday afternoon.

The groom is employed at the Western Auto in Springfield where the couple will reside.

Give Party For Bride

Mrs. Alta Atkins and Mrs. Mabel Buckman entertained at a miscellaneous shower in the library club room Tuesday night, in honor of the former's daughter, Mrs. Stanley Draughan, a newlywed. The bride was the recipient of many nice and useful presents. Contests were played during the social hour, after which delicious refreshments were served.

Lukeman And Bradley Nuptials In Capital

Vows Exchanged In Chapel; Leave For Trip North

Miss Roberta Ann Bradley, daughter of Mr. and Mrs. Elmer Newton Bradley of Greenville, became the bride of Elmer Baum Lukeman, son of Mr. and Mrs. J. C. Lukeman, Sept. 26 at four o'clock. The Rev. Raymond Franzen performed the single ring ceremony in the chapel of the Blessed Sacrament church in Springfield.

A reception was held in the Palm Room of the Abraham Lincoln hotel following the ceremony.

The bride, given in marriage by her father, wore a gown of heavy

candlelight satin, fashioned with a bertha of Venetian lace, long pointed sleeves and full skirt ending in a train. Her veil of tulle fell from a satin tiara. She carried a bouquet of gardenias and stephanotis.

Mrs. Philip Curtis Bradley, sister-in-law of the bride, was matron of honor. She was gowned in blue tissue faille fashioned after that of the bride and carried a nosegay of autumn colors.

Richard Lukeman of Jacksonville, brother of the groom was best man. Gail Elizabeth Hartong, a niece of the groom, was flower girl and Philip Bradley, Jr., nephew of the bride, was ring bearer. Ushers were Jack Hartong of Jacksonville and William Fry of Springfield.

The bride was graduated from the University of Illinois where she was a member of Phi Beta Phi sorority.

The groom is a graduate of the University of Oklahoma. His fraternity was Alpha Tau Omega. He is engaged in business in Jacksonville, being a member of the firm, Lukeman Clothing company. He served four and a half years with the U. S. Army during the recent war.

After a wedding trip in northern Michigan, they will be at home at 1156 W. Lafayette avenue, in Jacksonville.

NEW BERLIN

New Berlin—Mr. and Mrs. J. L. Lynch of Dawson were Sunday dinner guests at the home of Mr. and Mrs. J. Lynch and family.

Miss Ella Maud McMillan, Anne McMillan, and Parke Richmond of Oak Park, Ill., were weekend guests of Mrs. J. C. McMillan. They returned to their home Sunday with Mrs. McMillan accompanying them for a few days stay.

Mr. and Mrs. Robert Lynn and Patty drove to Winchester Sunday where they celebrated the birthdays of Mrs. Lynn and her sister, Mildred.

Mrs. J. H. Short, Mrs. E. B. Williams, and Mrs. Clarence McDevitt attended the association meeting of

the Baptist church, which was held at the Harvard Park Baptist church in Springfield last Thursday and Friday.

Dr. T. R. Maxwell and Charles Fulton returned from a three week vacation trip to Canada Saturday, each bringing a pelt from a bear they had killed. They have sent the skins to Duluth, Mich., where they will be tanned.

Miss Grace Williams attended the banquet sponsored by the Harvard Park Baptist church at the associational meeting Thursday evening.

MARSEILLES LADY LOSES 18 lbs. IN TWO WEEKS WITH RENNEL

Mrs. H. L. Rivers loses 18 lbs. for cost of only \$2.50

"Since taking Rennei I feel like a new person," writes Mrs. Rivers. "I feel more like doing my housework and have lost 18 pounds with the first two bottles. I have so much more pep and feel so much better that I intend to continue to use Rennei for some time."

Hundreds of others have obtained similar relief from the social and physical discomforts of being overweight. Rennei is the original grapefruit-juice recipe for taking off ugly fat. It's simple. Just go to your druggist and ask for 4 ounces of liquid Rennei. Pour the contents into a pint bottle—add enough grapefruit juice to fill the bottle, then take just two tablespoonsful twice a day. That's all there is to it.

If the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles; just return the empty bottle to the manufacturer for your money back. You need never know a hungry moment while taking Rennei—no starvation diet—no printed diet list to buy—no vitamins to fortify you against weakness while going hungry, for you WON'T be hungry. Don't be switched to another product. Insist upon and obtain genuine Rennei.

Bring Remains Of Harold Baxley Here For Burial

The remains of T/4c Harold Baxley, who died Jan. 16, 1944, while serving with the U. S. armed forces in the Aleutian Islands, arrived in Jacksonville Thursday afternoon over the G. M. & O. railroad.

They were taken to the Williamson Funeral Home, where services will be held Sunday at 2 p.m., with Rev. E. L. Banta officiating. Veterans of Foreign Wars will conduct military services at the grave in Jacksonville cemetery.

Members of the family will meet friends at the funeral home from 7 to 9 o'clock Saturday evening.

T/4c Baxley was born March 19, 1920, at Oakland, Calif., the son of

Mr. and Mrs. Paul Baxley, who now reside at 904 East College avenue. He was 23 years old when he died from a heart attack.

The young man resided in Chicago before he entered military service.

He is survived by his parents and one sister, Mrs. Mildred Ansell of Springfield.

World Communion Services Will Be Held Here Sunday

On Sunday, October 3rd, Christians all over the world will gather around the table of the Lord and Saviour Jesus Christ to celebrate His dying love by partaking of His Holy Supper. Most of the churches in the community of Jacksonville will participate in this celebration.

The Ministerial Association of Jacksonville urges all Christians to renew their covenant with Christ and His Church by going to the Church of their choice next Sunday and communing at the Lord's table.

CHARLES BOOK, SR.

White Hall—Twenty relatives and friends attended a basket dinner Sunday at the home of Mr. and Mrs. Charles Book, Sr., in celebration of Mr. Book's eighty-fourth birthday.

Mr. Book was born near Carrollton. He has resided in White Hall 43 years.

Mr. and Mrs. Book, who observed their fifty-seventh wedding anniversary last Jan. 1, are the parents of seven living children, six of whom were present for the birthday celebration.

Cars Pilfered In Parking Places

Two parked automobiles were pilfered here Wednesday night with a resultant loss of a small amount of money and a carton of cigarettes.

Paul Stainsforth of Jacksonville route five reported to police that \$2 in pennies, nickels and dimes were stolen from the glove compartment of his car while it was parked on West State street.

A carton of cigarettes was taken from the glove compartment of a car owned by D. L. Houck, 1887 Chapman street, Beloit, Wis., which was in the A. & P. parking lot.

Plan Civic Music Campaign Before Concert Series

Plans for the annual membership campaign of the Jacksonville Civic Music association were forwarded at a meeting of officers and music patrons held at the home of Mr. and Mrs. Waldo McCreery, 1063 West College avenue.

Dr. E. C. Bone, president of the association, said it is expected to receive 1,200 memberships during the campaign. Last year 940 residents of this community held membership and attended the series of outstanding musical events.

Mrs. Waldo McCreery has been elected secretary, succeeding Mrs. S. G. Baker who held the position several years. James Duerer is association treasurer.

The association will bring several well known artists to the city for concerts during the winter and spring season. At least four concerts will be presented.

Robert Flynn, national representative of the Civic Concert Service of New York City, has arrived in Jacksonville to assist the local committees with the campaign.

In addition to the officers at the meeting this week were Miss Charlotte Sieber, Mrs. Helen Brown Read, Mr. and Mrs. F. W. Shultis, Miss Alma Mackness, Mrs. Paul Andras, Mrs. Lola M. Johnson, Miss Peggy Flynn, Mrs. Lois Hardin, Mrs. A. V. Shenkel, Mrs. G. O. Webster, Dr. Sophie N. Leschin, Mrs. Hugh Green, Dr. Pearl M. Hutchinson and James Welch.

4-H Official In Talk At Virginia

Virginia—Otto Lyons, University of Illinois representative of 4-H Clubs, presented a talk to the Kiwanis Club at its regular weekly meeting Monday night. Lyons covered many subjects pertaining to 4-H club work. He was in Cass county to check over reports brought in by club leaders to select outstanding club workers for the past year. Each member must keep an accurate account of his respective projects throughout the year, and it is from these reports outstanding members are selected.

And They Mean It

When Kroger store managers, clerks, meatcutters and checkers say "Thank You"—they really mean it. For every Kroger employee knows that your patronage is a compliment to his company—to his store—and to him. You can rely on Kroger quality—Kroger values—Kroger variety—and on Kroger courtesy, too.

Herdsmen Of Five States Buy Hogs At Martin Sale

An average of \$188.44 was established Tuesday afternoon when W. A. Martin and son, Rollin, sold 50 head of purebred Poland China hogs, gilts and sows. The auction, held under a tent on Rollin's farm northeast of Jacksonville, drew a large crowd of herdsmen.

The top boar, 60 per cent white, was purchased by Elmer Ahrens of Staunton for \$465. Dodds and Wilson of Virginia and Byron Brunn of Springfield each purchased boars for \$300.

The best gilt commanded \$210.

She will go to the Delta Realty company of Catron, Mo. Other animals were purchased by Iowa, Indiana and Kansas breeders.

Luke J. Gaule of Springfield was the auctioneer. He was assisted by Ralph Rinkenberger of Gridley and Clifford DeOrnellas of Jacksonville.

The Martins announced the purchase of Grandview Victory, top junior boar of the Cecil Wilson herd in Iowa. Grandview Prince, Martin herd boar, was purchased last year from Wilson. He has been sold by the Morgan hog breeders to F. L. Jackson & Sons of Lytton, Iowa, for \$2,500.

MILNOT is wonderful on cereal!

Just use Milnot as it comes from the container. If you prefer, use Milnot half-strength, or as a topping with milk. However you use Milnot on your morning cereal, you'll rave about its country-fresh natural flavor!

And whatever you do, use Milnot in your coffee... taste how that fresh-as-can-be flavor makes a good cup of coffee even better!

Matter of fact, use Milnot in all cooking, wherever you use milk, expensive cream, whipping cream, a canned or evaporated milk. You can use it so often, for so many good-things-to-eat... all with such a little dent in your budget! It's so inexpensive... get Milnot today!

Caroline Products Co., Litchfield, Ill.

MILNOT MONEY SAVERS
Milnot-Smooth Cornbread

1 cup corn meal
1 cup flour
3 tsp. baking powder
1 tsp. salt
1 cup diluted Milnot (1/2 cup Milnot and 1/2 cup water)
1 egg
4 tbsp. butter or margarine, melted

Sift first four ingredients well; add diluted Milnot, beaten egg and melted butter. Bake in a well-oiled shallow pan (8x10 inches) or corn-stick pans. Bake in a hot oven, 425°, about 20 minutes.

MILNOT PREFERRED TO HIGH-COST CREAM IN COFFEE!

When 797 women made the independent Milnot taste test, they were asked to taste Milnot and high-priced cream in coffee. Overwhelmingly, penny for penny... 3 out of 5 women preferred Milnot!

Arenzville Girl Honored At Party At Kolberer Home

Arenzville—Miss Eileen Kolberer of Arenzville entertained at a miscellaneous shower Tuesday evening in honor of Peg Hart, bride-elect, who will wed James Ong on Saturday, Oct. 2nd.

Bouquets of fall flowers and a color scheme of pink and white were used in the decorations. The gifts were placed under a pink umbrella on the table.

Contests were played during the evening with prizes being awarded to Peg Hart, Mrs. George Morrison

and Mrs. A. C. Hart. Others present were: Mrs. Roland Cooper, Mrs. Edward Burrus of Beardstown, Mrs. Don Meyer, Mrs. Clifford Plunkett and daughter, Karen, Mrs. Lydia Coyle, Misses June Ham, Rena Fischer, Karla Hart, and Mrs. Albert Kolberer, Eileen, and Helen.

Club Elects Officers
A community club was organized at the Lovekamp school, with the following officers elected: president, Mrs. Ralph Lawson, vice-president, Mrs. Bert Stinson, secretary and treasurer, Carolyn Anderson. Plans were made for a winter roast to be held the fourth Thursday in October.

Friends and neighbors in the Lovekamp school area are invited to attend and bring winners and buns.

Beardstown Unit Number Ten, Illinois Valley Cosmetologists, held a hair styling contest at the Park hotel recently. One of the contestants qualifying was Mrs. June Huss, beauty operator of Arenzville. Mrs. Huss is now a member of the Beardstown Styles Body and is eligible to compete in the Illinois state contest to be held in Springfield Nov. 7 and 8.

Red Sox Stay In Pennant Race, Win Over Indians

Boston, Sept. 30.—(P)—The Boston Red Sox postponed the fatal day of reckoning in the American League race by hammering Washington, 7-3, with a 15-hit barrage that sliced the lead of the idle Cleveland Indians to 13 games.

The die hard men of McCarthy now are sure to cling to a mathematical chance until Saturday afternoon, although a Cleveland win over Detroit tomorrow would assure them of no worse than a tie.

Idle tomorrow while the Indians open their final three game set with the Tigers, the Red Sox close out their season Saturday and Sunday in a two game struggle with the New York Yankees. If they can win both from the Yanks, Cleveland must drop two or three to force a Monday afternoon tie playoff.

Yanks Trim Athletics

Philadelphia, Sept. 30.—(P)—The New York Yankees retained their slim stake in the American League flag race by outscrambling Connie Mack's Athletics 9 to 7 in a rain-swept game at Shibe park today.

When Vic Raschi, third Yankee pitcher in the ninth inning, stifled the last two Athletic batters with the bases loaded, it meant that the world champions still had an outside chance of winning the pennant they captured last year by a dozen games.

Tigers Trip Browns

Detroit, Sept. 30.—(P)—Rookie lefthander Ted Gray stopped the St. Louis Browns with seven hits today as the Detroit Tigers won the last game of the year in Briggs stadium, 7 to 2. The Tigers had 12 hits off three Brownie pitchers.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 30.—(P)—Hog prices dropped generally 50 to 75 cents a hundred pounds today while cattle were unevenly 50 cents higher to 80 cents lower and sheep were steady to 25 cents less.

Most good and choice butcher hogs sold at \$24.00 to \$28.25, the top touching \$28.50. Sows made \$21.50 to \$26.00 and a few up to \$26.25.

Choice fed steers topped at \$40.00, with good and low-choice types taking \$39.00 to \$35.50. Medium to low-grade heifers fetched \$23.50 to \$28.50 and medium to good bulls \$22.00 to \$23.00. Odd head of choice vealers hit \$34.00 but most medium and good kinds were \$29.00 to \$33.00. Stockers and feeders remained on the dull side.

Two cars of good to choice Washington spring lambs topped the market at \$25.50 with comparable natives at \$25.00. Native slaughter ewes topped at \$11.00 with comparable westerns at \$10.75.

Total receipts included 8,500 hogs; 3,300 cattle, 500 calves and 3,500 sheep.

East St. Louis Livestock

National Stockyards, Ill., Sept. 30.—(P)—(USDA)—Hogs: 7,500; opened 50 to 75 lower, later market 1.00 to 1.25 lower than Wednesday's average on 100 pounds and gilts; bulk 200-260 lbs. 27.50-28.25; top 28.25 early; little over 27.50 late; 160-170 lbs. 27.00-27.75; occasional sales 190 lbs. up 28.00 early; very spotted on lighter stuff; 130-150 lbs. 24.50-27.50; 100-120 lbs. 21.50-24.25; sows mostly 50 lower, extremes 1.00 lower late; bulk 400 lbs. down 23.75-25.50; heavier sows 21.00-23.00; stages 17.50-21.00.

Cattle: 3,000; calves, 1,200; no early steer sales; few butcher yearlings opening about steady; common and good light heifers and mixed yearlings 26.00-28.00; cows opening about steady but slow; common and medium cows 17.00-19.00; canners and cutters 13.00-16.50; light canners 12.50; bulls unchanged; medium and good mostly 21.00-22.50; vealers steady; good and choice 28.00-33.50; common and medium 18.00-27.00.

Sheep: 2,500; run very largely native spring lambs; market on these about steady with preceding day's average; early sales good and choice springers 25.50 to packers and others; top 25.50.

Markets at a Glance

New York, Sept. 30.—(P)—Stocks—Narrow; early demand fades. Bonds—Quiet; some rails decline. Cotton—Irregular; commission house selling.

Chicago—Wheat—Mixed; profit cashing toward close. Corn—Easy; early gains lost. Oats—Mixed; lost early gain. Soybeans—Firm; demand good. Hogs—Mostly 50 to 75 cents lower; top \$28.50.

Cattle—Unevenly 50 cents higher to 50 lower; top \$40.00.

White Hall Eleven Beats Winchester 14-6 Thursday

Winchester—All the scoring came in the second half here Thursday night as White Hall captured a hard-earned 14-6 Illinois Valley conference victory over a Winchester team which showed more strength than had been expected.

White Hall actually came from behind to score the decision, as it was the Wildcats of Coach Howard Lester who drew first blood in the action-packed third quarter.

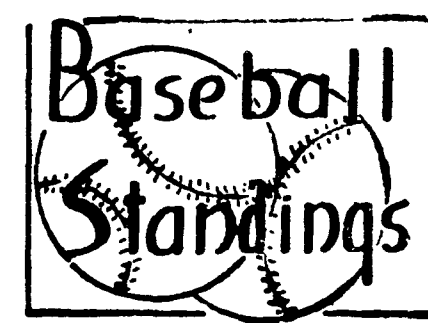

Wisdom caught a ten-yard pass from Stuart and stepped over the goal line for the Winchester touchdown. A conversion attempt was unsuccessful.

Barnd tallied first for White Hall on a beautiful 50-yard run back of a Wildcat punt. Milnes plunged for the extra point which put S. N. Walker's eleven out in front.

White Hall scored again in the fourth. Capt. Wyatt intercepted a Winchester pass and dashed back through the Wildcats 20 yards to pay dirt. Barnd kicked the extra point to make it 14-6.

A large crowd attended the game, with both schools being well represented.

Score by quarters:
White Hall0 0 7 7—14
Winchester0 6 0 0—6

Chicago, Sept. 30.—(P)—Grain futures failed to make much progress during today's board of trade session. Nervous at the start all grains made some advances midway through the trading, but toward the close prices dipped.

Traders said most of the government announcements made after yesterday's session had been discounted in the previous session. Some commission and cash house buying, believed to have been against sales to the government, lifted prices for a time and induced a little short covering. However, the profit taking cancelled most advances.

Receipts were: wheat 16 cars, corn 103, oats 35, and soybeans 100. At the finish wheat was 1 higher to 1 lower than yesterday's close, December \$2.24 1/2. Corn was unchanged to 1 lower, December \$1.39 1/2. Oats were 1 higher to 1 lower, December \$1.60 and soybeans were 1 to 1 1/2 higher, November \$2.43.

Just For Principia

Sam and Jim Spink, Jacksonville co-captains and tackles of the 1948 Illinois college grid team, talk over a few special plays for the Principia game tonight with Blueboy Coach Al Miller. That's Jim standing on the left.

Santo Domingo Boxer Loses Life In Chicago Ring

Chicago, Sept. 30.—(P)—Professional boxing in Chicago claimed its second life in seven months with the death of Kid Dinamita, a lad from Santo Domingo, in the Chicago stadium last night on his 22nd birthday.

Dinamita, whose real name was Felix Gomez, died in Cook county hospital of a cerebral hemorrhage four and a half hours after suffering a ninth round technical knockout at the hands of Bobby McQuillan, clever 13-pound Port Huron, Mich., youngster.

Still conscious, Dinamita was carried from the ring on a stretcher because of his inability to walk. He was unconscious when he reached the hospital and was placed in an oxygen tent. He died without regaining consciousness.

The Santa Domingo lad was the second boxer to die as the result of a Chicago bout this year. Sam Baroudi, Akron, O., light heavyweight, died also of a cerebral hemorrhage following a knockout by Ezzard Charles, Cincinnati 175-pound title challenger, last Feb. 20, in the stadium.

A special coroner's jury was impaneled to conduct an inquest tomorrow. The jury includes two former chairmen of the Illinois State Athletic Commission, Gen. J. V. Cline and Col. Joseph Triner.

Sheldon Clark, chairman of the commission, said all rules of precaution had been observed. Dinamita had passed the usual physical examination, except that no encephalograph test was given. This was not a violation of the commission rules since Dinamita had not been knocked out in his last previous engagement. That was a savage bout with Freddie Dawson, Chicago, at Consery Park August 18, in which Dinamita took a severe beating about the head.

The August bout was stopped in the ninth round. The Dominican boxer had outpointed Dawson for seven rounds, displaying exceptional boxing talents.

Observers believe that Dinamita was still feeling the effects of Dawson's blows when he answered the opening bell against McQuillan.

191 CADETS WILL ACCOMPANY TEAM FOR U. OF I. GAME

Champaign, Ill., Sept. 30.—(P)—Army's football team will be accompanied by 191 West Point cadets for the Oct. 9 game with the University of Illinois here.

The cadets will arrive by special train and will parade before the game and at half-time. Illini dean of women Miriam Sheldon said she has obtained the height of each visiting cadet to arrange "suitable" dates with coeds for a post-game dance.

Roodhouse Plays Pittsfield Club In Ivy Feature

While Jacksonville fans will be concentrating on the outcome of games involving J.H.S., I.S.D. and I.C. today and tonight, eyes of most gridiron observers in this area will focus on Pittsfield, where one of the Illinois Valley conference's most crucial battles is in prospect.

The Roodhouse at Pittsfield clash, slated for 8 p.m. tonight, highlights the pigskin card in Western Illinois.

Both Pittsfield and Roodhouse enter the game with players sidelined or scheduled for limited action. Bob Sidwell, a Sauk regular, is lost for the season with a broken ankle. Sam Ballard, the Railroad all-star, suffered a shoulder separation two weeks ago and still is nursing the injury.

Coach Glen Smith's Indians enter the fray in the role of favorites. They're rated as the class of the Ivy loop this year. But, despite the handicap of a comparatively inexperienced squad, Coach Mason Campbell has turned out another threatening organization at Roodhouse.

White Hall and Winchester opened Valley loop action last night.

One league opener is carded for this afternoon, when Greenfield pays a visit to Pleasant Hill.

One other combat is on the card tonight, Carrollton going to Jerseyville for another meeting of the two old rivals.

Elgin-E. Rockford Meet In Illinois' Top Prep Combat

Springfield, Ill., Sept. 30.—(P)—Another of those slambang prep football title campaigns in the big eight conference shifts into high gear Friday.

As the entire league swings into action for the first time, Joliet's sturdy steelmen entertain East St. Louis in a bid for their second big eight win and fourth straight this season.

Joliet's rugged line play and backfield speed conquered Elgin a week ago to give Coach Herm Walser's boys the loop lead. They'll depend on the same qualities to overmatch East Rockford's offensive minded outfit, which stumbled twice in warmup tilts with strong foes after handily whipping East Moline's northwest entry.

Other big eight contests send West Aurora, unstoppable in three non-league bouts, against LaSalle-Peru's defending champions, Elgin to East Aurora and Freeport to West Rockford.

In the northwest circuit, a bangup duel is on tap as Rock Island Opens title defense against Moline's maroons, winner of all three starts so far. Both the Rocks and Moline walloped opponents last week. Rock Island's victory was its second after a getaway tie with classy Naperville.

Three of the best teams in mid-state's big 12 conference figure to have their hands full with outside rivals in blanketing two foes.

Despite two wins and tie in major competition, Danville rates an underdog against St. Bede Academy of Peru. The Bedans' potent offense, sparked by the running and passing of quarterback Don Kissell, overwhelmed Joliet Catholic 39-0 and Streator 41-7.

Champaign-Robinson Meet
Champaign, Ill., Sept. 30.—(P)—A perennial eastern Illinois kingdom, promises a lively scry although not in a class with their meeting last year when both were unbeaten. Each has dropped two out of three decisions this fall.

In the north Egypt loop, the Mt. Carmel-Flora clash may nominate the 1948 champion. Flora, though once beaten, has a clean league slate and has hurdled strong Salem. Mt. Carmel has showed the best form in years to win three out of three.

Normal community's powerful corn belt contender faces its toughest assignment to date against Pontiac's Indians who broke even in their first two encounters. Community will be shooting for victory No. 4 and undisputed conference leadership.

Unblemished three game records go on the block in the collision of Tuscola and Newman, a pair of top-flight contenders in the Okaw Valley flag race.

Ellet Names Squad

Champaign, Ill., Sept. 30.—(P)—A 36-man Illinois football squad was named for the Wisconsin game today, minus Sam Zatkoff, senior end from Hamtramck, Mich., who quit the squad to devote all his time to studies.

Coach Ray Eliot indicated after today's practice that Chuck Brown will start at tackle against the Badgers in place of Al Tate.

The squad will entrain tomorrow and stay overnight at Jansenville, Wis., before proceeding to Madison.

Iowa Weak On Pass Defense

Iowa City, Iowa, Sept. 30.—(P)—The University of Iowa football squad took a last look at Indiana plays this afternoon before leaving for a game at Bloomington, Ind., Saturday.

The Hawkeyes had little trouble with ground plays run by a team of reserves under the direction of Scout Maury Kent, but were noticeably weak on pass defense.

Speedy Southern Club Meets Illinois College At High School Field

Illinois College Blueboys will throw their offensive punches and flex their defensive muscles for Jacksonville fans for the first time tonight, when they entertain Principia college in an 8 p.m. clash on the Jacksonville high school athletic field.

Flush after their scintillating 13-6 victory over Scott Field last Friday afternoon, the charges of Coach Al Miller and Joe Brooks face a new challenge tonight—one of speed instead of power.

Principia brings to Jacksonville a comparatively small college grid machine. But scouting reports indicate that the players from the southern school are using mobility to make up for their size deficiency.

Major Test
The I.C. mentors are anxious to discover what their club can do against a faster aggregation. Only too well do they remember that last year their greatest trouble came from rapidly-moving backs rather than from big, bruising line crashers.

Last week the Blueboys were up against a slower, heavy team with plenty of reserve power. Scott Field tried to wear down the Blueboy defenders. It didn't work. Indications are that Principia will use another strategy, that of attempting to run down the Jacksonville team.

Illinois college goes into tonight's contest ranking as favorite. But Coach Miller is quick to point out that the hilltoppers will lack the strength they had in starting the Scott Field contest. One half of the regular backfield will probably be on the sidelines tonight. Barney Vilk is definitely out with a bone chip in one leg. Bob Grove suffered a sprained ankle against Scott Field and is expected to yield his quarterback back post to Dave Billings, a Danville basketball star who has shown remarkable ability in rehearsals and against the Flyers last week.

Line Depth Lacking
In the line, too, the Blueboys won't be as deep. Mathews, a regular guard, has suffered a torn ligament and probably won't dress. Reserve strength doesn't make this loss too serious, but the absence of Brand and Chris Copeland may tell on the I. C. outfit. Both line subs have returned to their homes and don't expect to be back in Jacksonville in time for the game. That means tackles Jim and Sam Spink of Jacksonville, 1948 co-captains, will have only one substitute to relieve them—Paul Rust, another J.H.S. graduate.

"Eb" Ryan of Jacksonville Routh, who was so impressive in intramural play last year that coaches asked him to report for this season, may get his starting opportunity tonight. Coach Miller has indicated that Ryan may go, at least on offense.

Plenty Of Ends
The Blueboys are well fortified on ends tonight. Charles Due and Don Longer are listed as the starters, but Richard Frisky and White Hall's Christison will probably get into the game—they both have looked good in scrimmages. The Spinks will open at the tackles, while Paul Lasley and Bob Harshman are expected to get the nod at guards. George Florence, another Jacksonville boy, will see considerable action on defense, and may play considerable on offense as well. Gerald Lachinski and Paxton have been alternating at center, but Lachinski remains the likely starting choice.

Coach Miller will handle the club alone tonight, as Brooks will be in Iowa scouting North Central, host to the Blueboys in a Little Nine conference combat next weekend.

H. L. Mitchell, a Stanford university star under "Pop" Warner in 1926-28, will direct the grid fortunes of Principia for the third consecutive season. A former junior college mentor in California, Mitchell has as his assistant a 1948 graduate of the southern school, William Abbott.

Light is the big word for Principia this season. The visiting aggregation averages only 173 pounds, compared with the Blueboys' 200-pound average. The backfield average only 160, but possesses some springing power and, probably, a dangerous aerial attack.

This will be the first gridiron meeting of Principia and Illinois in at least a decade.

Lightning results when voltage differences occur within a cloud, between clouds, or between a cloud and the earth.

Cards Sweep Two From Pittsburgh, In Tie For Second

St. Louis, Sept. 30.—(P)—Harr "The Cat" Brecheen chalked up his 20th victory of the season when he pitched the St. Louis Cardinals to a 4 to 1 victory over the Pittsburgh Pirates in the night section of a day-night double header. The cards also won the matinee encounter, 6 to 1.

The double win enabled the Redbirds to gain a second place tie with the idle Brooklyn Dodgers while the Pirates dropped to fourth.

Cubs Shutout Reds
Chicago, Sept. 30.—(P)—The Chicago Cubs ended their home season today by defeating Cincinnati, 1 to 0, in a lefthanded pitchers' duel between Cliff Chambers and Ken Rafenberger.

Chambers thus completed a weird season in which he won his first start from St. Louis in April, 6-2, then didn't triumph again until this, his final start.

London Doctor Says Olympic Athletes Drugged

London, Sept. 30.—(P)—A prominent London doctor said today that some continental European athletes during the summer Olympic games were stimulated by drugs, much in the manner of race horses.

Dr. Christopher Woodard, director of the athletes' clinic at London's Middlesex hospital, exonerated all British and American athletes. When he was asked what specific events he referred to, Dr. Woodard replied "to sports in general and cycling in particular."

The 34-year-old physician, an official medical adviser to the British Olympic team, said "I'm sick of this business. It's time it came out."

"It is my personal opinion that this drug-taking, by others, was a very large factor in Britain's not achieving Olympic or world honors this year."

Dr. Woodard said that at the world's cycling championships at Amsterdam, "a garrulous foreigner very surreptitiously tried to show me his pet concoction of strychnine, caffeine and benzedrine."

Declaring that drug-taking before sporting events is "more widespread than people think," Dr. Woodard said, "the only way to stop it is to medically examine athletes before events."

The droplets of water in a cloud are electrically charged.

The Loves of Carmen

By SOPHIE KERR

Copyright, 1948, MEA SERVICE, INC.

Serialization of screenplay from a novel by Prosper Merimee

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. On his first day in the city, a gorgeous gypsy girl flirts with him, then disappears. Some days later he is on duty in the square with his friend, Andres, when a girl from the nearby elegant factory appears out at closing time. Among them is the beauty, Carmen, but her glance is not for Jose. The colonel and his aides come by and the two young men spring to attention. Carmen acquiesces with the colonel who, after looking her over with decided interest, continues on his way.

IV

When the door to the barracks had closed on the colonel, Andres spoke to Carmen angrily. "Must you roll your big eyes at every man—even the colonel?" "Sure—an important man as the colonel might be very useful to have as a friend. You have to agree to that." She stated this very matter-of-factly, but as Andres was out she turned on him as soon as a fury, almost spitting the words right at him. "My eyes are my own to look where I please. Must I tell you that again? No one orders Carmen's eyes where to go or how to behave but Carmen! Do you understand that?" Then she became calm again and turned away, saying indifferently, "Eight o'clock at Lillas Pastia's." Andres answered as though by reflex, "I'll be there, Carmencita." He was happy again.

Carmen, who had started away, stopped abruptly as the sound of the little bells came chiming from her own pocket. She turned and looked up guiltily at Don Jose. His mouth had opened in disbelief as he stared back at her, for he was listening to the sound of his own watch. Andres looked puzzled as Carmen shrugged and turned back. She swaggered to Don Jose, reached into her blouse and pulled out a watch, dangling it by the chain. She put it into Jose's hand as though she were giving him a present. Her voice was mockingly innocent. "I was thinking you really should have this. Otherwise you wouldn't know when it was 8 o'clock. Hey, soldier?" Don Jose took the watch uncertainly as though it burnt his fingertips. "Is it a little too warm for you to handle?" She took a rose from the deep bosom of her dress. Holding it in her hand for an instant, she flicked it from her fingers into his face. It hit him between the eyes like a fragrant bullet. Carmen laughed and walked away.

For a moment both men remained where they were, staring after her. Then Andres went slowly off toward the barracks. Don Jose stood and picked up the flower that lay at his feet. He tucked it hastily and furtively into his tunic as though ashamed of his gesture. The voices of women suddenly raised in anger from down the street did not even penetrate to him, he was so conscious of the flower next to his skin.

NOT twenty-five yards away, Carmen stood in a half-crouching position, her fingers curled and stiff like the claws of a cat ready to fight, her eyes glittering with anger.

Women's voices rose in shrill denunciation. "Dirty gypsy trash!" "She is a disgrace to the town!" "She laughed at my wedding and made dirty jokes at my Manuelito!" Carmen bared her teeth and spat viciously straight into the face of the last voice. The mob, which was gathering, laughed approvingly as the three women came closer to Carmen. The bride wiped her face with a scarf, screaming, "Did you see what she did?"

A mob has been likened to an insect because it has a thousand legs, a thousand eyes, and a thousand arms, and it wriggles and moves, poisons and stings, with such little impulse from any visibly located brain. But a mob is also a wild animal intent on blood. It cries for destruction, for spend-thrift brutality and for the music that comes from a thousand single screams, fused into one bestial sound.

As the three women rushed to attack one woman, it made a most pleasing design for the mob. A design well proportioned out of ugliness because one part of the design was women who were born to build. Now they were here to tear and destroy. The other part of the design was a gypsy, one of a hated inferior race of beings who, in the mob's eye, was not worth saving. Unless, of course, she could turn in triumph to tear and destroy her attackers.

"She's killed my mother! And the milk!" She pointed dramatically to the street. "See what she's done to the milk!"

Carmen's voice was full of hate as she said, "I spit in your milk!" and she did so. "And in the milk of your old turtle of a mother!" and she spat again, directly at the sprawled, spattered woman on the ground. "And at you! The poor excuse of a woman who married Manuelito!"

The bride yelled triumphantly. "But who did he marry, hah?" She skipped her flat chest proudly. "Not you, you gypsy drab. Nobody would marry you." Carmen put her face close to the bride's and with a slow and vicious grin said, "Where was he last night, honey? Was he with you? Hah?" She drew it out tauntingly, then flung back her head and laughed uproariously. (To Be Continued)

The New Method Book Bindery is the largest single binding business unit in the United States or in the world, Lawrence Sibert, president of this Jacksonville club Thursday morning. Customers in 38 states, the Hawaiian Islands, Canada and South America are served by the local bindery, Mr. Sibert said.

New Method's total annual payroll in this community exceeds \$300,000 and between 160 and 165 persons are regularly employed in the business. The average yearly production of the local plant is approximately half a million books, according to the speaker.

Mr. Sibert traced the development of the bindery since its establishment 29 years ago in Jacksonville. Patents issued to the local concern for book binding processes have expired, he said, but the company's trade mark, "Bound to Stay Bound" is known from coast to coast. In addition to binding books for libraries and other institutions, the company binds for sale nearly 295,000 books each year. These are mostly juvenile books.

Wadsworth Applebee, chairman of a special Kiwanis committee, announced at the meeting that the organization would sponsor the play "John Loves Mary" in cooperation with the Civic Drama Guild of New York on Oct. 18 at 8:30 p.m. The presentation will be staged at the Jacksonville High School auditorium and tickets may be obtained from any Kiwanis member.

SAILOR FALLS INTO DRINK
Narvik, Norway—(AP)—In Narvik a sailor climbing the gangway to his ship stumbled and fell into the sea. People ran to help, and a rope was lowered to him from the quay. The struggling sailor pulled a bottle of brandy out of his pocket, tied the rope carefully around it, and shouted: "Hello folks, save the bottle first." The only brandy store of the town was closed, owing to a strike.

Fake Coal Is Six Times as Hot

With real coal a scarce item in Berlin, "ersatz" (imitation) coal is being manufactured in the American sector. It's made of sawdust, coal dust and a tarlike substance, and has six times the heating value of the real thing. It's much cheaper, too. These men work between piles of coal dust and sawdust. Dovie Wanamaker Dies At Hospital Thursday Evening

Miss Dovie Wanamaker of 775 W. Walnut street, died at Passavant hospital at 7:20 p.m. Thursday. She had been a patient there since Aug. 2.

Miss Wanamaker retired from her work in the coat factory of the Capps Mills in 1945 after working there nearly 50 years.

She was born near Carrollton on April 24, 1881, a daughter of George and Sordella Deaton Wanamaker. The family moved to Jacksonville when she was less than a year old.

Miss Wanamaker leaves one sister, Mrs. Anna Alver, and one nephew, Clifford Alver of Lakeland, Fla.

The remains were taken to the Cady & Son Memorial Home. Funeral arrangements have not been completed.

Myron Faugust, 20, Seriously Injured In Cycle Accident

Myron Faugust of 536 South Clay avenue was removed to St. Luke's hospital in St. Louis Thursday night to receive special medical treatment for a serious head injury incurred in a motorcycle accident near Hillsboro at about 10:30 a.m. Thursday.

Faugust was first taken to Hillsboro hospital, where he remained in an unconscious condition until late in the afternoon. X-ray studies of his head were made at Hillsboro before he was taken to St. Louis by his brother-in-law, Dr. E. B. Drescher of St. Louis.

There are no known witnesses of the accident which occurred near the foot of Cress hill, about two miles this side of Hillsboro.

Investigating officers believe the motorcycle skidded when Faugust swerved to avoid a collision. Faugust was thrown nearly 100 feet, landing directly on the white dividing line of the pavement.

A heavy leather coat and a rubber-padded headgear helped to reduce the force of the impact.

Faugust is the 20-year-old son of Mr. and Mrs. G. A. Faugust, 536 S. Clay avenue. Hillsboro hospital officials notified them of the accident and they went directly to his bedside. They returned to Jacksonville late last night.

Faugust was enroute to Carbonate for a visit with his brother, Oscar.

Dry Soybeans Advance Loan Rate To \$2.31

The first 1948 soybean loan completed by the Illinois State FMA Office assures the cooperating producer farmer a return of \$2.31 per bushel, according to State Chairman Lee M. Gentry. He said Thursday that most Illinois farmers are producing beans this year of sufficient quality to meet the requirements of price supports at this higher rate under the loan or purchase agreement plans.

"Many soybean producers," he said, "have been overlooking the premium increases and storage fee earning features of the present soybean price support programs. They have been thinking in terms of the \$2.18 per bushel basic loan rate, whereas actually they should be considering the possibility of a \$2.31 per bushel return. This higher price level is the one that most farmers should use in making their determination as to whether to market beans immediately or to hold their beans in storage under the loan or purchase agreement programs."

1948 Beans Are Dry
In elaborating upon these generally misunderstood provisions of the program, the state chairman pointed out that beans otherwise meeting U. S. No. 2 grade with a moisture content of 11.2 or less would carry a loan rate of \$2.24 per bushel. This rate is decreased down to \$2.18 as the moisture content increases up to 14 percent.

"It is believed," he said, "that most of the beans currently harvested are low enough in moisture content to earn the full 6 cents premium increase. In addition to the increase in loan rate because of moisture content, the Commodity Credit Corporation will also pay a storage fee of 6 cents per bushel for any farm-stored beans turned over or delivered to the corporation under either the purchase agreement or commodity loan programs."

"With the possibility of a \$2.31 per bushel return under these programs," said Mr. Gentry, "it just doesn't make sense for producers to sell at the present time at prices materially less than this floor."

Set For Possible Advance
The farmer with a loan or purchase agreement not only has his price supported, but he is in a position to take advantage of any material increase in commercial market prices. In other words, by holding his commodity in storage he may be able to sell on the open market if prices happen to increase above the maximum return to be derived under the support programs. In this connection, it should be noted that statistics show that on the average during the period from 1925 to 1941 farmers would have made good profits by holding their beans in storage until May, June, or July of the following year.

"In view of the current market situation," concluded Chairman Gentry, "it is my advice that all 1948 producers make it a point to fully discuss these support programs with the local AAA Committees."

Winchester Club To Sponsor Sale Again Next Year

Winchester—The Winchester Kiwanis club, happy with the results of their successful auction here last Saturday, are making plans to hold a similar affair next year.

Approximately \$1,125 were realized when Auctioneer Alvin Middendorf of Jacksonville sold to the highest bidder a wide variety of articles donated by Scott county residents.

These donations included corn, hay, furniture, canned fruit, clothing and a wide assortment of other items.

Funds from the sale will be used to help underprivileged children in Scott county. The money may be used to buy clothing, glasses, braces or to pay for minor operations and dental work.

R. R. Funk was the general chairman of the community auction. Allan Watt was the clerk.

The New's community held the first meeting for the year at the school house recently.

Election of officers for the coming year were elected as follows: Mrs. Albert Sellars, chairman; Mrs. Lloyd Wallis, secretary; treasurer; and Mrs. Tom Lawless, press reporter.

The program for the evening was in charge of Mr. and Mrs. Ralph Sellars and Mr. and Mrs. Dana O'Donnell.

Robert Slyton, farm advisor for Scott county, gave a talk and showed the group a movie. John Miller, soil conservation fieldman, also spoke.

Refreshments of cookies, sandwiches and iced tea were served. The refreshment committee was Mrs. Edward Baird and Mrs. Dana O'Donnell.

The next meeting will be held Oct. 29 and refreshments will be pie and hot chocolate.
